Yes, just returned to the office and was going to contact you all.... We are planning on Wed, the 25th (7/25) at usual time. I wanted to confirm your Conference room and of course later, a conference line. This will be one of the "big meetings" so EPA will do an update presentation. I'll send out an agenda, etc

Donn:

Has the date been arranged yet for the next CAC meeting in July? I've been asked by others and was not certain. Holding it Wednesday, July 25, would be most ideal for my in-person attendance (also heard same from TDSHS). Will await whatever you determine and announce, of course. Just trying to plan the month before the holiday next week.

Thanks as always.
